Residential New Construction Permit

1 Contact Information 2 Application Information 3 Support Documentation 4 Review 5 Pay Fees 6

Step 1: Contact Information > Contractor Trades

Indicate what trades will be performed for this permit along with the Name and Registration # for each.

If a Contractor is performing more than 1 trade then make note of the Contractor's Name, Registration Number and Trades and use Add a Trade below.

Full list of Trades:

General HVAC
Carpentry Insulation
Cell Tower Erector Irrigation
Concrete Landscaping
Drain Installation Masonry

If you are unsure of your contractor's registration number or information, you can select the REPORTS drop down at the top of the page to see a complete list of registered contractors. Contractors can also be added to the application using AMENDMENTS at a later time. A permit will not be issued until all applicable trades are assigned a registered contractor (or homeowner)

* indicates a required field.

Address

To search for an Address enter the street number and street name and search

If you are unable to locate your address please contact the County to obtain address prior to submitting the application. email to: BuildingandZoning@dupageco.org

By checking this box and submitting this application, I certify that I am either the owner or acting on behalf of the owner of the property for which this application is being submitted. UNDER PENALTY OF PERJURY, I declare that I have examined and made this application and it is true and correct to the best of my knowledge and belief. I agree to construct said building in accordance with all provisions of the Ordinances of DuPage County. I realize that the information that I have affirmed herein forms a basis for the issuance of the building permit and that my approval of plans in connection therewith shall not be construed to permit any construction upon said premises or use thereof in violation of any provision of any Ordinance of DuPage County. I warrant to the owner of the property that I am the owner or his successor in title from completing therewith.

No work shall be done on the property or on the issuance of the permit.

Where no work has been started within 180 days after the issuance of the permit, or when more than 180 days lapses between required inspections, such permit shall become VOID. All bonds associated with voided permits will be forfeited.

☐ By checking this box, I agree to the above certification.

Date: _____

At the summary page, you can **EDIT** any field as necessary. Once complete, read the required certification information and check the box. Select **CONTINUE APPLICATION**.

1	2 Application Information	3 Support Documentation	4 Review	5 Pay Fees	6 Record Issuance
---	---------------------------	-------------------------	----------	------------	-------------------

Listed below are preliminary fees based upon the information you've entered. Some fees are based on the quantity of work items installed or repaired. Enter quantities where applicable. The following screen will display your total fees.

Fees	Qty.	Amount
Application Fee	1	\$679.00
Drainage Review Fee	1	\$365.00

Note: This does not include additional application fees which may be assessed later.

Pay your fees in order to submit your application. You will be given the opportunity to pay or defer for another time. You will be directed to a third-party site for payment when you decide to pay. Once payment is complete, your application is given a record number used for the duration of your project at DuPage County. Congratulations!
